

**Do you love computers?**  
**The Belmont Recreation Department and Jr Coding is offering an**  
**Foundations Coding Class**  
**for kids..**

***Grades 4-6***

***Tuesday, February 16th -Friday, February 19th 9am-11am***

***Location: Butler Elementary school (Cafeteria)***

***Cost: \$275 please make checks payable to JrCode Academy***  
***Computers are provided but feel free to bring your own.***

This is a great introduction into the basics of computer coding. jrCode utilizes the Scratch platform to to teach kids the fundamentals of programming in this section. Students will be challenged to learn the basics of coding, including algorithms and analytical problem solving, while completing games and projects are so creatively fun, they will be shocked how much they are learning week after week. No previous experience or class requirements are necessary.
